Home Security & Smart Home Systems

Years ago, the only security system homes had were locks on doors and windows. Today, the options are endless and at times overwhelming. Knowing which system to install depends on your needs. Here are a few examples of home monitoring systems that may benefit your home. Do your research and compare costs, there's a lot of choices in home security systems.

- Smoke-Carbon Monoxide and water leak sensors

- Glass break/vibration sensors
- Ring doorbells or outdoor security cameras
- Alarm flood & freeze sensors
- Contact sensors
- Garage door tilt sensors
- Environmental sensors and alarms
- Night vision cameras and security systems
- Motion detector lighting.
- Door/window sensors
- Security Cameras

- 1611 3rd St SE Under Construction \$338,900

Contact KA Witt Construction for more information.

Fall Home Maintenance Tips

Fall is a good time to take care of big home projects before the shorter days of winter come around. Here are a few tips to help you button up and get ready for winter.

- Tree & shrub care- The most important thing to do in the fall is to trim out the dead trees to prevent disease.
- Rake leaves- Leaving leaves on your lawn over winter can cause issues in spring.
- Clean gutters and downspouts- Clogged gutters during a rain-storm can cause damage to your roof or siding.
- Shut off exterior faucets- Protect your pipes from freezing by shutting off exterior faucets.
- Add weatherstripping- Apply weatherstripping around frames of windows and doors to prevent drafts.

KA Witt employees & families had a magical time at Canterbury Park watching the Unicorns and Llamas between the races.

Canterbury Park Summer Employee Event

It was a magical time at Canterbury Park for employees and their families to enjoy a day at the Loffler Finish Line Cabanas. The weather was perfect, the food was fantastic, and there was definitely magic in the air as we watched unicorns fly across the finish line followed by llamas races.

October Back to Back Job Fairs in Rochester and Le Sueur

Nancy Witt and Sue Fahrendorff represented KA Witt Construction at 2 back to back job fairs which were held in Rochester & Le Sueur. Although the Le Sueur job fair was quiet, Rochester's job fair at RCTC

more than made up for it. We made connections with Veteran Employment Reps, Construction trade students and other business development agencies at both of these events. Job fairs are an excellent way to let people know about KA Witt!

If you haven't noticed yet.....WE'RE HIRING

A few weeks ago, Jake Witt and Dylan Brummer installed this sign in our front lawn at the office.

We're still hiring for the following:

- Carpenters
- Excavation laborers
- Equipment Operators
- Concrete Finisher/Laborers
- Part-Time Mechanic
-

The Quick Witt Show on KCHK

The first Thursday of every month from 8:45-9:00, you can catch Jason or Chris Witt chatting it up with Tom Goetzinger on KCHK. Some of the topics have included interior design, HERS scores & energy efficiency and our company history.

They also have been known to talk a bit about sports and high school events.

After the show, we post a link to a recording of the show on our Facebook page as well as a link on our blog on website at www.kawitt.com.

The Quick Witt Show

Tune in the 1st Thursday of every month at 8:45 AM only on KCHK

Successful Fall Parade of Homes September 7th-September 29th

It's hard to believe that the Fall 2019 Parade of Homes is over. KA Witt's parade model was located at 700 Eastland Ave SE, New Prague in our new Eastland development. The home recently went under contract and was not available for sale, but it was still shown as our parade model. KA Witt will have a new Spring Parade of Homes model for 2020. Stay tuned.....
